# Stephen Rory Baker

We, the Yearbook Staff of 2007, would like to dedicate this yearbook in remembrance of Stephen Rory Baker. 2007 marks the 40th anniversary of his graduating class. Stephen Baker was active in sports, had high scholastic average in all classes and represented high moral character.

A scholarship fund was set up to be awarded to a deserving senior boy each year who planned to further their education and who held Stephen's values in sports and academics.

On August 26, 1964, the Sanger Indians scrimmaged the Carrol Dragons, where Stephen obtained a head injury. He passed away August 29, 1964 at Parkland Hospital in Dallas, Texas. Stephen was president of his Junior Class, an active member of First Baptist Church of Sanger and letterman in football and basketball. Stephen Baker Field was named in his memory.

## Stephen Rory Baker

January 30, 1948 - August 29, 1964

*He gave his life for the  
game he loved.*

We hope the high ideals and moral standards that Stephen stood for will always be retained in the  
*Spirit of our School.*

# Varsity Football

2006

"I think that the Team of 2006 has firmly established itself as one of the best, in the long and heralded history, of Sanger High School Football. With a very talented and dedicated group of seniors leading the way, this team made it to the Area Finals before falling in four overtimes. A feat many never reach. They have set a new standard of excellence for following teams to reach. As my last team to coach, I consider it a privilege and a pleasure to have been associated with these young men, both on and off the field"

# GO TEAM!!

Battles were won but the overall victory was not to be yours. To the dedication & hard work that went into every practice, it was satisfying to know that the hardest of all workouts - were the ones you enjoyed the most. That proves the kind of character this team was built on. Our district was one of the toughest in the region, & the losses incurred were well fought. But, you have set the precedence for other teams to follow, of which hard work **MUST** be done during the off-season & summer to accomplish victories during Season!

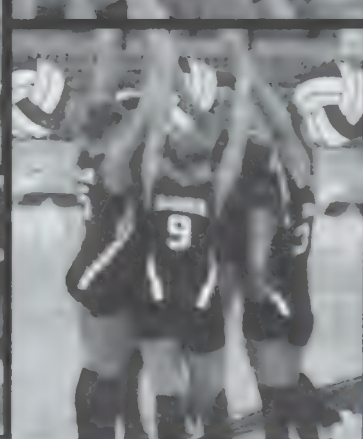

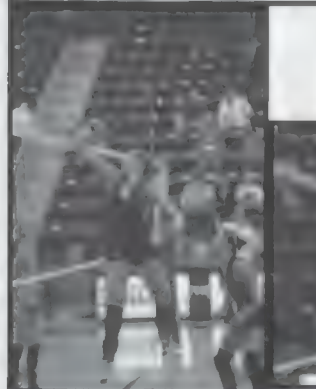

Remember the games which were fought to the final moment! The Frisco Tournament in one day there were two pool games played, & four 3 out of 5 games to win the Championship!! You swept past Senior Night when the defeat was against your district leader - Gainesville, & all the support you received from the crowd. Standing & cheering in the last moments of the game. Ah, those are the times to be remembered. Thanks for giving me such a special memory!!

Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So live for yourself & your dreams. You are the only one that has to live with you. Live life to the fullest, & be glad you were afforded the opportunity to play a sport which you loved, if only for a short time.

- Coach Biggerstaff

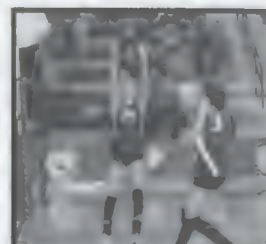

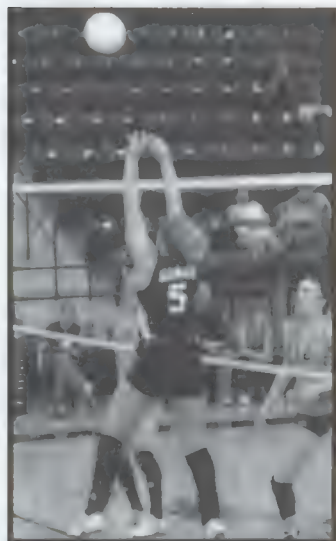

I don't know the key to success, but the key to failure is trying to please everybody.

I have held you close. Now as you fly into adulthood, bound to open books & discover worlds, I release you. But not without one final prayer: Prosper not only in your studies, but prosper in knowing God more richly.

I will not be there to catch you when you fall. But God will catch you when I can't. Depend on Him and learn to trust Him. You are not alone. Knowing this my empty nest will not seem so lonely. My heart will soar as I watch you take wing.  
Love, your Mom

We all Love you,  
Love, Mom, Dad,  
Collin & Crysta

It's only for a moment you are ours to hold  
The plans that heaven has for you  
Will all too soon unfold  
So many different prayers we'll pray  
For all that you might do  
But most of all we'll want to know  
You're walking in the truth  
And if we never told you  
We want you to know  
As we watch you grow

We pray that God would fill your heart with dreams  
And that faith gives you the courage  
To dare to do great things  
We're here for you whatever this life brings  
So let our love give you roots  
And help you find your wings.

May passion be the wind  
That leads you through your days  
And may conviction keep you strong  
Guide you on your way  
May there be many moments  
That make your life so sweet  
Oh, but more than memories

It's not living if you don't reach for the sky  
We'll have tears as you take off  
But we'll cheer as you fly!!

angelic smile on her face  
our beautiful child

school days and college  
just brief moments come to pass  
like youth too soon gone

she's unbounded strength  
anchored in life's endless sea  
Danielle an island

as time ebbs and flows  
tomorrow becomes today  
fading twilight falls

in her golden years  
dad, mom and family wait

### THE YEAR OF THE DRAGON

You are eccentric and your life complex.  
You have a very passionate nature and abundant health. Marry a Monkey or Rat  
LATE in life. Avoid the Dog.

Blake.

One hundred percent effort=no regret; leave behind more than you take; the only stupid question is the one you fail to ask; you teach people how to treat you; karma is real; if you don't believe in yourself-no one else will; value people-not things; an education is never free no matter how you get it; love like you can't get hurt; never pass up a chance to help someone; free has no value; be true to yourself; own your behavior; always wear clean underwear in case you're in an accident. I am proud to call you son. No one will ever love you as much as I do.
